AMPHITHEATRE

Terry Miller
200 Fernwood Ave.
Montclair, N.J.

Dear Tony

you wanted me to scribble a little
now so I thought I'd mess this page up.
It's been a great year, and even greater
knowing you. I'll never forget the "opera",
in the car, the sun at the shore, and
the study hall on Fridays. Never the
best of lads to a real swell girl, one worth
knowing.

Montclair High School

Montclair, New Jersey

Alma Mater

You may sing of other places,
Little do we care,
There is one place that is dearer,
Here in old Montclair.

O'er the earth our feet may wander,
Back we come again;
For the love of Montclair High School,
Ever will remain.

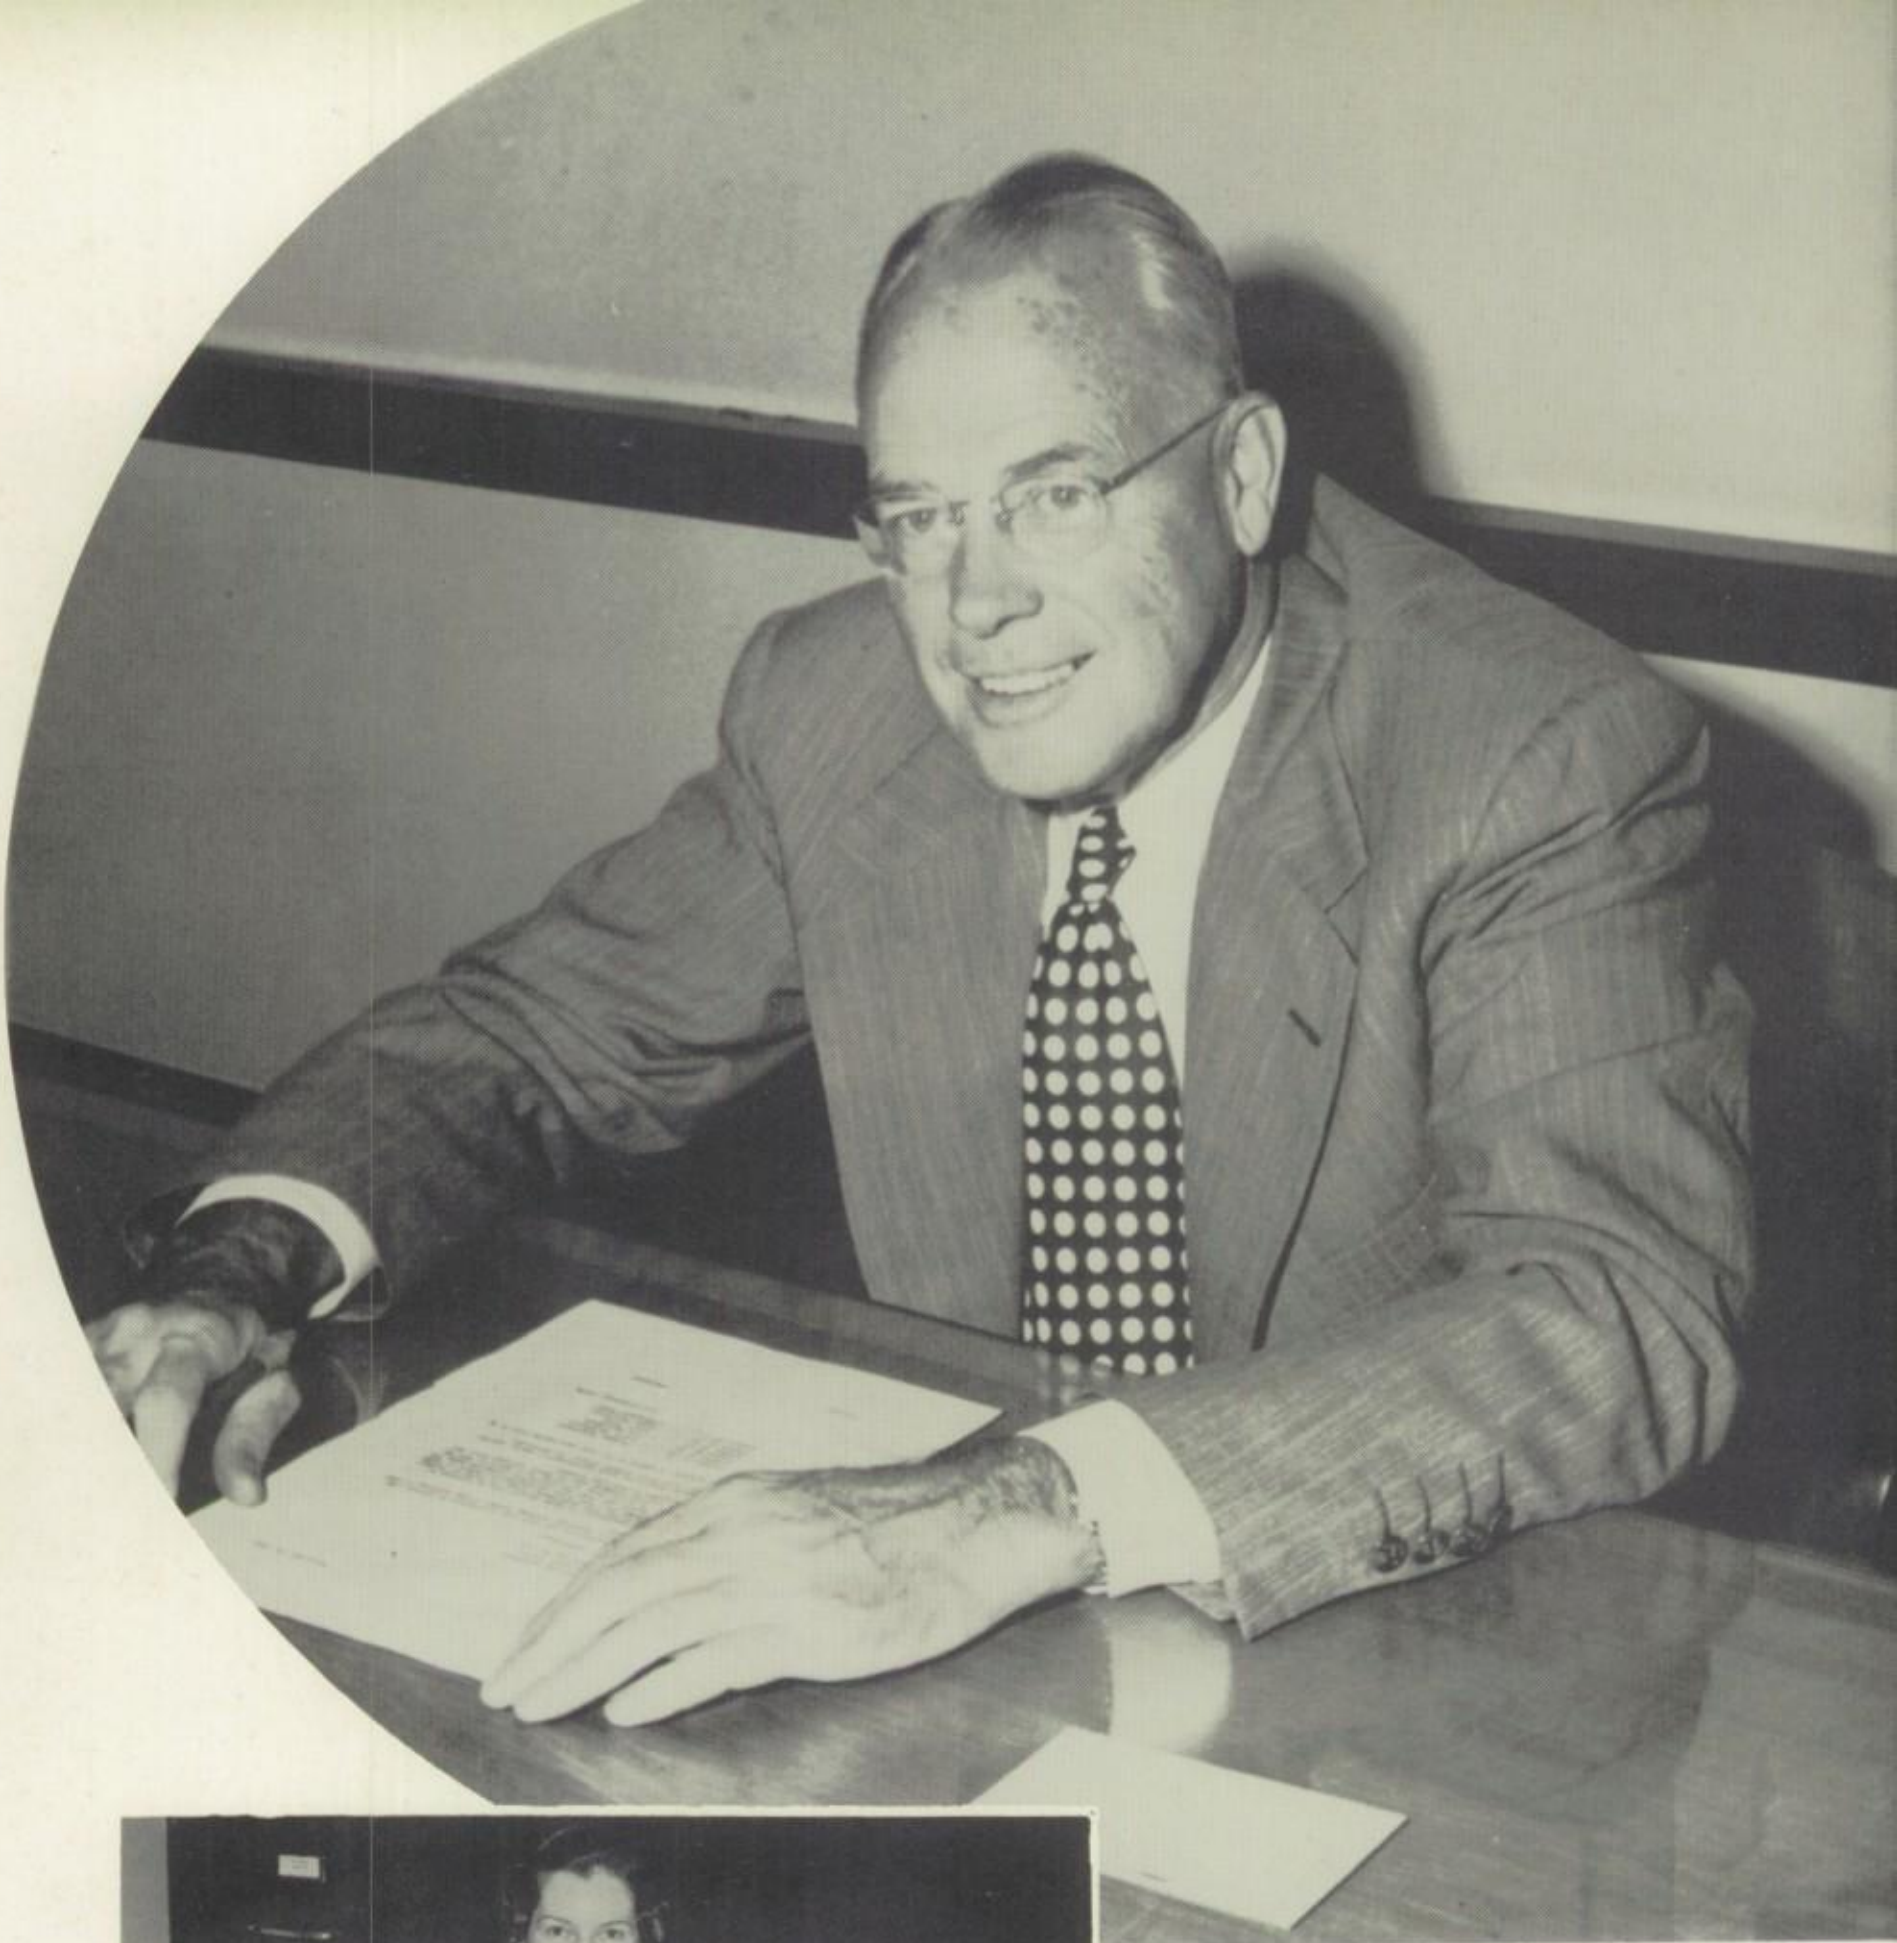

Come then friends and come then comrades,
Raise the hearty song;
Swell the chorus with your voices,
Pass the strain along.

Chorus:

Raise the chorus, speed it onward,
Sing with praises fair;
Hail to thee our Alma Mater
Hail, all hail, Montclair!

R. Beatrice Scott

Miss Scott did graduate work at the University of New Hampshire after receiving her degree at Wellesley. In 1922 she came to Montclair High from Burlington, Vermont.

During her years at Montclair, Miss Scott has won the admiration and respect of both her pupils and fellow faculty members. Genuinely interested in her students, she has shown a deep understanding of their problems and a great concern for their welfare.

Miss Scott has had an active interest in creative writing. By no means an amateur, she has been the adviser to the Scribblers' Club for a number of years. As a result of her encouragement, many young people have come to a greater realization of themselves through their writing.

Harold C. Wells

Vermont had full claim to Mr. Wells until he came to Montclair High in 1926. Educated at Saint Johnsbury Academy and the University of Vermont, Mr. Wells considered law as a profession. In his later college years he became interested in the field of education and especially in journalism. Following his graduation, he taught for two years at the University. After a year as principal of Black River Academy, Mr. Wells came to Montclair High School.

While teaching in Montclair High, Mr. Wells was a College Board Reader, Chairman of the English Department and President of the Essex County Teachers' Association. He feels that one of his major accomplishments was serving as the first adviser to "The Mountaineer". Always interested in a wide range of school activities, Mr. Wells was Chairman of the High School Curriculum Committee for five years.

Mr. Wells, who left Montclair High last June, is working at the present time for his Doctorate Degree at Columbia. After his excellent record here at Montclair High School he is well qualified to meet his college students. The fine quality of his teaching, his liberal outlook, and his genuine understanding of the problems of education assure him a high degree of success.

With Appreciation

We wish to recognize the great influence of two teachers, Mr. Wells and Miss Scott, upon our lives. We, the Class of 1950, dedicate our yearbook to them.

1949 FOOTBALL

The 1949 eleven, with only two returning regulars, pulled the "rabbit out of the hat trick" by deftly turning in an undefeated season. This surprising feat must have been of great satisfaction to the two coaching magicians, Clary Anderson and Butch Fortunato, who molded this team which scored at least four touchdowns in every game, and had at least a thirteen point victory margin in each contest. The team was small, alert and smart and showed speed and finesse in gaining consistently on line power plays, end runs or sensational forward passes engineered by the pin-point pitching of Joe Fortunato. Offensively the team lined up with a pair of pass snatching ends in Captain Jack Sar and Dick Emery, a pair of rugged and rough charging tackles in Charley Johnson and Ronald Baltimore, and three fast maneuvering middle men in Jack Godfrey, John Thomae and Dom Testa. The backs were ably led by the master ball handler and signal caller, Joe Fortunato, who completed 90 out of 131 passes for 19 touchdowns. Diminutive Gene Naspo was the leading ball carrier and played halfback along with the versatile Pete Hain while Jack Burke was the hard driving fullback who was the finest blocker seen all fall. Defensively Sandy Davis was terrific at end, Tom Dello Russo was a solid 5x5 at guard, and Milton Jones was a tower of strength in the line. Don DeBenedett and Pete Regan were hampered by injuries in the backfield and Gerald Samuels and

Royce Flippin were strong reserves and good running backs.

In the opener against Orange, the underdog Mounties came out on top with a 26-13 score. Fortunato, Burke, Sar and DeBenedett scored the touchdowns for Montclair. Gene Naspo, Montclair halfback, was the defensive star of the game, stopping Orange's Bob Robinson four times as he seemed to be heading for paydirt.

Barringer visited Woodman Field and was beaten by a 25-2 score. Joe Fortunato was responsible for all four Mountie touchdowns, passing to Naspo twice and once to Dick Emery. The other time he scored on a plunge from the two yard line.

Montclair journeyed to Kearny to avenge last year's defeat by rolling up a 28-0 score against the Kards. Pete Hain scored twice while Naspo and Fortunato each tallied once. Gerry Samuels kicked all four extra points.

A highly regarded Nutley team came to Montclair and was beaten by a score of 33-13. Gerry Samuels, a halfback who had devoted most of his talents to kicking, scored three times against the Nutley forces. This encounter proved costly to Montclair as their two top fullbacks, Pete Regan and Don DeBenedett, were injured.

Montclair and East Orange met in a contest that was expected to pit Joe Fortunato's passing against Floyd Bennett's running. Fortunato scored on an intercepted pass for the

first Montclair touchdown and passed to end Jack Sar for the second. Gene Naspo also got in on the scoring. Floyd Bennett raced 44 yards to score for East Orange. The final score was Montclair-27, East Orange-13.

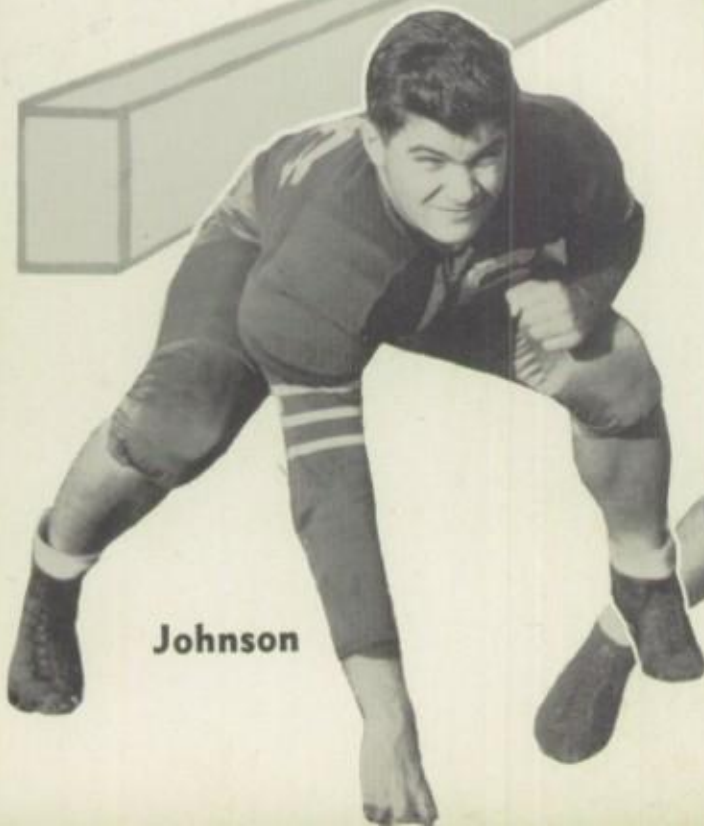

Next on the Mountie slate was Columbia, a team which gave Montclair a tough fight for the first three periods, but was finally beaten 39-7 as the Mounties scored four times in the fourth quarter. Pete Hain, Fleming Fisher, and Royce Flippin all scored in that quarter.

Montclair beat West Orange 24-2, after a tough first half in which West Orange drew first blood, scoring a safety. The score at halftime was 6-2 Montclair. In the second half Montclair broke loose and scored three times. Pete Hain scored twice and Joe Fortunato once on a 27 yard runback of an intercepted pass.

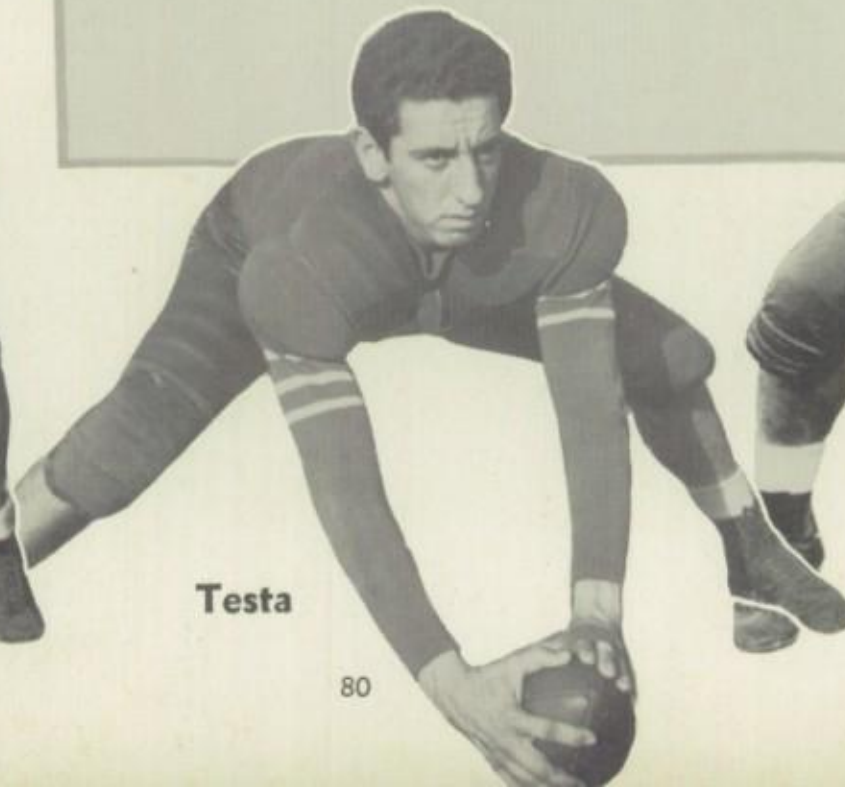

Clifton was beaten by a 55-28 score as

Royce Flippin sophomore halfback racked up 20 points for Montclair. The Mounties star halfback, Gene Naspo, sustained an arm injury in this contest. Both teams scored three times in the second half, but the story was told in the first half as the Mounties built up a 34-7 halftime score.

On Thanksgiving Day the Bengals from Bloomfield began the scoring and remained in contention all through the first half, holding Montclair to a 13-13 tie until near the end of the half. Joe Fortunato lateralled wide to Dick Emery who tossed a pass to Pete Hain for the score which put Montclair ahead for the rest of the game. Montclair executed successfully an inside kick in the 3rd period which led to a quick touchdown.

A Montclair team, although lacking in man power, proved that football games could be won by spirit and hustle and fine team cooperation.

BUCKETEERS

The Mountie courtsters began their first practice sessions with four lettermen; Gerald Samuels, Dick Emery, John Burke, and John Harden. Other returning squad candidates were Fleming Fisher, Joe Fortunato, Charlie Swenson, and Pete Hain. Other candidates were Andy Kleppe, Pete Regan, and John Eckelberry.

Montclair saw real action in the first game. Barringer and the Mounties met in a close battle that saw the lead change hands many times, and remain undecided until the last minute of play when Montclair went ahead to win, 48-45. It was Charlie Swenson, pushing up a one hander from the side, who tied the score in the last minute. Emery and Burke were the twin sparkplugs of the Mountie scoring machine with 12 points apiece.

West Orange, the 1949 State Champs, administered the first defeat of 1950 to Montclair. The Cowboys emerged an 11 point victor. The Clifton Mustangs eked out a one point victory over the Mounties. Montclair defeated Irvington on the Mountie's court in overtime by 5 points 35-30.

When the Mounties took the court against the Alumni, they faced a star studded team. The Alumni team was cutting the Mountie lead point by point; but when the buzzer sounded, with all the fans on their feet cheering, the scoreboard showed 59-54, Varsity. The Mounties really started to catch fire, and went on to burn down four straight victims. The Montclair winning streak was at the expense of Paterson East Side, South Side Newark, Columbia, and East Orange. Sparked again by Emery, Montclair edged Columbia in overtime 35-33.

It was Kearny who broke the Montclair winning streak at five, coming from far behind to defeat the Mounties in the waning seconds of the game, 38-36. Emery and Harden put up 29 of the Mountie's 36 points. When Montclair took the court against Glen Ridge, a new starter was in the lineup. Sophomore Wally Choice, who had played J. V. ball up to that time, started, and proved himself to be a sharpshooter by dropping in 18 points, a new season high. The Mounties took the game by their largest margin of the year, 55-35.

Montclair hit a real slump and lost five straight. East Orange came from behind in the third quarter to drop Montclair 45-42, thus avenging their previous slaughter. Despite Wally Choice's 18 points, Nutley took the Mounties by four points, 44-40. A capacity crowd at Bloomfield saw the home team break a five game losing streak, and extend the Mountie streak to three. The Mounties fell twice more before Columbia and Orange. Both games were close contests, but the highlights of the two was Emery's 23 points in the Orange game.

In the last game of the season, Montclair met a tough Newark West Side team. The hero of the day was guard John Burke. The Mounties were trailing with time running out when Burke came through and dropped in two fouls and a set-shot to give the Mounties a two point victory, 43-41.

With the season concluded Montclair had a record of 9 and 8. At the recommendation of the entire student body, and with the OK of the faculty, Montclair High School entered the Essex County Tournament. After receiving its invitation, Montclair drew Bloomfield in the first round.

DIAMOND DUST

When practice opened last spring, four of the previous year's mainstays had been taken via the diploma route. The team's success, therefore, depended upon the strength of the five returning lettermen: Jack McMahon, Ronnie Lannin, Preston Strazza, Gus Keriazakos and Gene Naspo. Most positions on the team were open with the exception of the battery and one or two others. As the opening game drew near, Clary Anderson had molded together an infield with Tom "Junior" Brown, Ronnie Lannin, Gene Naspo, and sophomores, Dick Emery and Len Torro. Jack McMahon, hard hitting outfielder, held down centerfield. Reid Spencer was the left fielder and Len Torro was the right fielder. Torro, however, moved into shortstop when Lannin was pitching, leaving sophomore Vinnie DePrenda to play the outfield.

Pitching is considered of major importance in high school baseball, and the pitching of Gus Keriazakos and Ronnie Lannin more than ably met this need. Keriazakos was the number one pitcher while Lannin and Spencer followed. When Gus was stricken with a strep throat, Lannin and Spencer moved up to share the pitching assignments. Dick Emery, somewhat shaky at the start of the year, gained finesse and won two games, including one against the Army Plebes. Pete Hain and Gerald Samuels did not pitch too much but are expected to see action on the hill and in the outfield next year. Preston Strazza did an excellent job of handling this fine pitching.

Even though Gus was hampered by sickness, he won nine games and lost only one, the 12 inning final tournament game against Bayonne. Appearing in ten games, Gus struck out 118 batters and had an earned run average of 1.49. Ron Lannin, who also pitched in ten games, had a six and one record. Reid Spencer compiled a four and one record.

Five Mounties had a batting average of better than .300. The leading batter was Tom Brown with .353. McMahon hit .349; Lannin, .348; DePrenda, .318; and Len Torro, .300. Lannin led the team in hits with 32; in runs batted with 27. Jack McMahon was second in both of these vital departments with 30 and 17 respectively. The team as a whole ended the season with a brilliant record of twenty-one wins and three defeats.

The Greater Newark Tournament was the main objective of the 1949 Baseball team. In the opener of the tournament Montclair had to come from behind with a five run sixth inning rally to beat Clifton 8-2. In the quarter finals Montclair again surged from behind to beat Columbia 4-2.

Before a large crowd at Foley Field, Bloomfield, Montclair shut out Hillside 2-0, with Gus Keriazakos allowing only three hits.

Montclair entered the finals as Defending Champions. The challenging team was a good Bayonne team, sparked by the fine pitching of Tom Bujunowski. Bayonne jumped off to a 2-1 lead in the third inning, but in the sixth inning, Gus Keriazakos singled in a run to tie the game. The game, however, was a pitchers' duel which went twelve innings. In the twelfth inning, Bayonne's lead off hitter singled and rounded the bases on a stolen base and two wild throws.

Although Montclair didn't win the Greater Newark Tournament, it did cop the North Jersey section II, group IV, High School title.

CINDERMEN

*Dear Gents,
Take home the good. The sun
Sandy stay hope around me you
Stay hope around me you
Good future
Mid's
on front page*

The 1949 Track and Field season found the Mountie Cindermen with a potentially strong field team and a relatively weak track group. Under Knute Mansfield the Mounties captured the annual quadrangle meet with Bloomfield, Glen Ridge, and Weequahic by 33½ points. Continuing on from this fine start, the Mounties

copped six dual meets, losing only to the State Champion, Thomas Jefferson. This year the Montclair Invitation Meet was replaced by the Essex County Meet in which Montclair missed second place by four-fifths of a point. The boys placed eighth in the Newark Invitation Meet, and suffered their most humiliating loss in the State Meet where they placed twelfth with six points.

The men who accounted for most of the team's points were "Sandy" Davis in the high hurdles and discus; Rufus Dumas in the 440, 880, and broad jump; Bill Dupree in the dashes; Jim Pearson in the javelin, pole vault and broad jump; Bob Moreland in the high jump, "Butch" Toggia in the pole vault; Mayhew Jones in the shot put and discus; Jack Sar in the javelin; and Millard Wright in the shot put. "Sandy" Davis received the Clarence L. Woodman Trophy for Improvement in Track, Good Sportsmanship and Conduct.

FREE KICKS

During the year the soccer team played top quality competitors, but it was seriously handicapped by lack of players and ability. Undoubtedly if more boys in our high school who are not out for football would come out for soccer, it would create more school spirit and finally a better record as far as wins and losses are concerned. Out of a total enrollment of 544 boys, 22 were out for soccer and 105 for football.

Although the Mountie Free Kickers produced an unimpressive record of one win, nine losses and three ties, they were a fast attacking team. In spite of the fact that most of the players were inexperienced, they played well together and showed plenty of courage and high spirit. This season gave valuable experience to those six of the starting eleven who will return next season.

The team's scoring honors were divided among Bill Bascome, James and Xavier Pi-Sunyer, Bill Edwards and Tom Carrier. Dick Strazza was outstanding in defensive work around the Mountie goal. Sam Wood, Pete Worthington, Bob Boyd and Henry Holloway also gave consistent performances for the Mountie team.

PERPETUAL MOTION

Coach Mansfield's grinders finished the season with a record of one win and eight losses. The record was not bad considering only three letter men were back from last year's squad, and the rest of the team consisted of sophomores. The members of the team were Erwin Debnaun, Richard Hall, Bobby Goodwin, John Onderdonk, Thurston Wood, Donn Winner, and Dewitt Paul. John Hayes served as manager. The return of the sophomores should make next year's team a strong one.

LUCKY STRIKE

Mr. Ken Sprague rounded his 1950 Bowling team out of an intramural league which started early in December. The boys with the highest average in this league became members of the Montclair varsity. They were Mike Cestone, Sal Monaco, Len LaRiccia, Art Kleppe, Bob Tyler, William Branch, and Henry Branch. These boys competed in the North Jersey Bowling League while the Intra-Mural Squad maintained a season long tournament by teams.

ACES

Although the Montclair High Tennis squad was unable to retain the state championship last year, it did compile a very good record. Coach Ken Sprague's net men finished the season with a record of ten wins as against three losses. The team lost only to Trenton, Passaic and East Orange. Passaic and East Orange were defeated in return matches. The boys also picked up single wins over Bloomfield, and Ridgewood and double victories over Caldwell, West Side, and West Orange.

The members of the team were Jack Kenny, Jack Ives, and Jerry Treacy playing singles; John Lane, Ross Dickson, Sam Wood and Bill Dickson, playing doubles; Bill Andre serving as the alternate. Bill Howell served as manager for the season. This year's team should pile up a good record since Jerry Treacy, Bill Dickson, and Sam Wood will be back, together with many promising candidates who missed last year.

TEEING OFF

With number one man, Mike Cestone, continually shooting in the 70's, "Doc" Newman's golf team finished a good season with seven wins and only three losses. The blue and white scored double victories over Nutley, Verona, and West Orange, and a single triumph over Bloomfield. Caldwell, Belleville, and Bloomfield each defeated the Mountie squad once. Mike Cestone was Montclair's high scorer for the season with 26 points. Charlie Fink was a very close second with 24; Art Kleppe had 17; Don Conger 11; and Art Knaus and Len LaRiccia each had 10 points. With Cestone, Kleppe and LaRiccia returning in 1950, M. H. S. should sport another fine team.

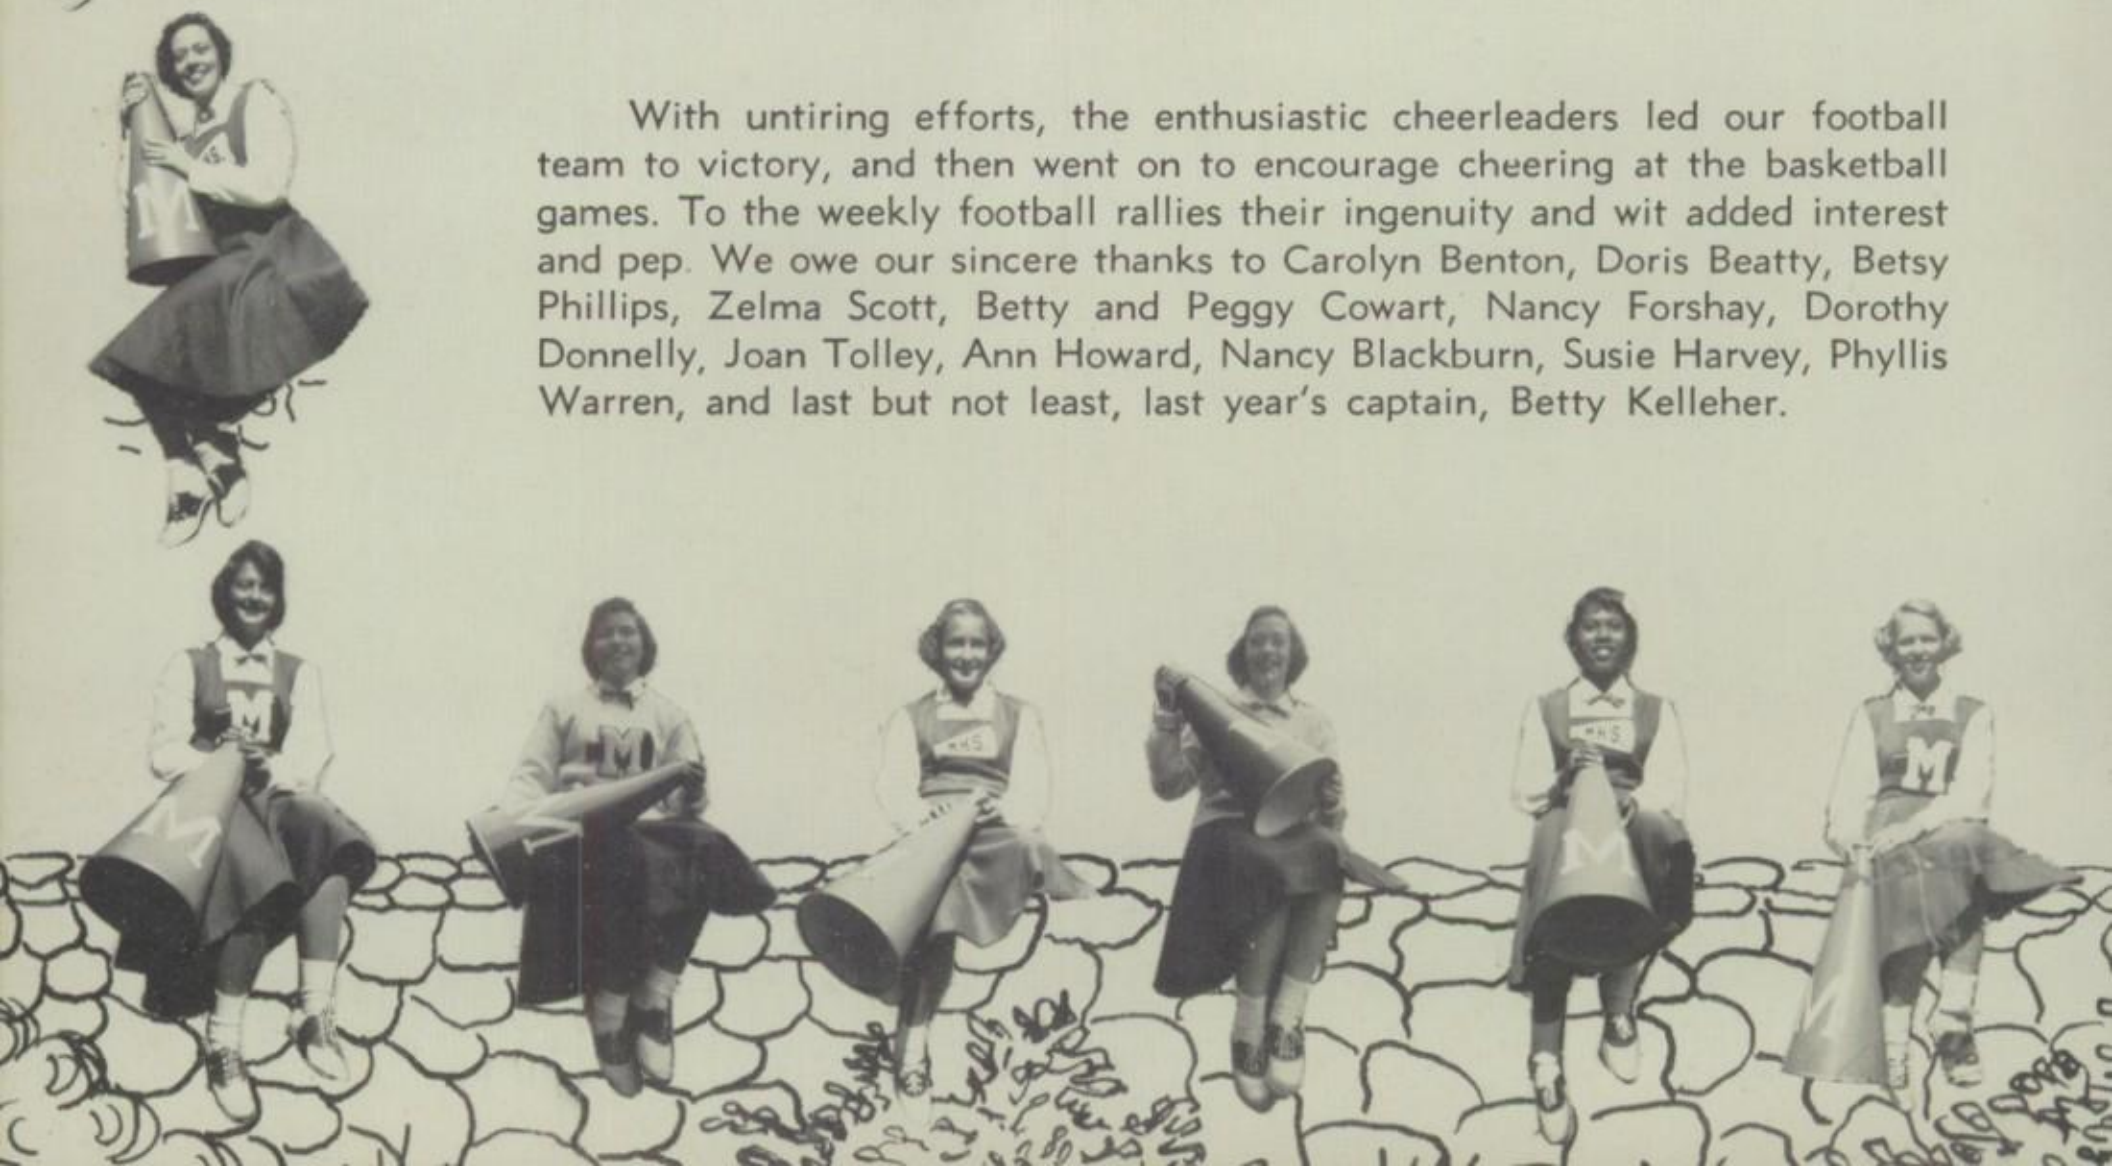

"Doc" Newman entered Cestone and Kleppe in the New York World Telegram's Junior Golf Tournament at the Ridgewood Country Club. Cestone won the qualifying medal with a 75 only to lose in match play. Cestone, however, won the New Jersey State Junior Championship at the Rock Spring Country Club.

"BITS OF CHEER"

With untiring efforts, the enthusiastic cheerleaders led our football team to victory, and then went on to encourage cheering at the basketball games. To the weekly football rallies their ingenuity and wit added interest and pep. We owe our sincere thanks to Carolyn Benton, Doris Beatty, Betsy Phillips, Zelma Scott, Betty and Peggy Cowart, Nancy Forshay, Dorothy Donnelly, Joan Tolley, Ann Howard, Nancy Blackburn, Susie Harvey, Phyllis Warren, and last but not least, last year's captain, Betty Kelleher.

COURT FIGURES

The Girls' Athletic Council, composed of the managers of every sport, is the advisory committee for after-school sports. In each season a full program of sports is offered to girls interested in playing for fun or in earning points toward the much coveted awards which are given out at the athletic assembly in June. The names of girls who have made special contributions to the success of a sport are placed on the Athletic Activity Honor Roll.

Representative teams are elected each year in tennis, table tennis, badminton, volleyball, baseball, basketball, bowling and hockey. These teams play Caldwell, Glen Ridge, and College High School. Sometimes the contests are at home, but often away. Last year, modern dance, although not represented by a team, was a very popular activity.

INTERNATIONAL CLUB

If She Doesn't Speak The

The International Club, one of the oldest and strongest in our school, has achieved new prominence in the past few years. With the help of the French and Italian Clubs, it has spearheaded the interest of the Montclair High Student body in its affiliated schools in Montauban, France and Chieti, Italy. Through their influence and work Mr. George A. Walton visited here and addressed a Junior-Senior assembly. Miss Nancy Cole, also a representative of the Friends' Service Committee, talked to International Club about her experiences in Chieti with the Instituto. At least one hundred M. H. S. students corresponded with our affiliated overseas friends. In late years, a large number of art and homework papers, books and pamphlets have been exchanged. Last year, an atlas of the world was sent to the Lycée and an electrical testing meter to the Instituto. Funds for these operations were made possible by the Have-A-Heart campaign in which the entire student body participated.

Within its own organization, International Club sponsored trips to the United Nations and international relations conferences. Le Cercle Français showed its members a lighter, more interesting side of studying French, while the Latin Club unearthed the ruins of ancient Rome and lives of those who lived there by trips, films, plays, and its annual banquet. The Spanish and Italian Clubs presented to their members the people and country whose language they studied in school. Art Club spoke a more universal language than any of the above. Its program allowed its members a chance to work, to criticize, and to learn in the field of their common interest. Bound together, yet working separately, all of these clubs provided an essential part of their members' enjoyment of school life.

STUDENT FACULTY

At H-Hour on alternate Monday mornings, a hearty tribe of diplomats gathered in the library to discuss and act upon current issues. Gripes were ventilated; requests were considered; and plans made for our present and future welfare. As a result of these unselfish efforts and our willingness to speak our minds, several committees, standing and affiliated, were formed during the year. The Lunchroom Committee this year expanded at student request to form the Lunchroom Music Committee. Later, our overworked teachers and janitors were eased in their labors by the Lunchroom Supervisors and the Service Committee, the latter of which reminded you to be-seige only the first floor before 8:12. The affiliated Assembly Committee planned, independently of the Student Faculty, our many memorable and enjoyable assemblies. Continuing on this year in fine style were the established groups: the Junior Red Cross, the Publicity Committee, the Traffic Squad, the Hospitality Club, the Community Chest Speakers, the Assembly Seating Committee, the Stage Lighting Crew, and the Projection Squad.

It is difficult to distinguish the division line between the regular courses and the extra-curricular program in the field of music. Music proves once again that learning can be entertaining. Many members of the Football Band, who provide us with harmonious toots and bangs at games, find higher pleasures in the Orchestra. The A Cappella Choir, the Boys' Glee Club, and the Girls' Glee Club meet in school time to serenade us. The Madrigal Choir, the newest group, meets before school (at 7:40) to practice. In the several annual concerts these four groups sing together. Many students are members of more than one. The Music Club draws its talent from all these organizations and the student body at large. If It's Literature You Want

Walking through the halls of Montclair High School, one can't help but remark upon the amount of literary effort revealed there. In the Amphitheatre the scratch of pen and brush on paper and the flash of the camera are prevalent, while the Business Staff juggles figures. Right nearby the casual observer detects the smell of printer's ink. The Mountaineer, coming out once every two weeks, keeps the local populace up on the news of the day. Those wayward dollars are tracked by the Mountaineer's hardworking business staff. For budding young authors or just scribblers, there is the Scribblers' Club. The Bible Club provides for the serious minded person who wants to delve more deeply into the philosophies of life. And then, of course, there is the attractive Browsers' Club for those who simply value their leisure time. So If It's Literature You Want, just take a look around you.

If There's Something New Under The Sun

Every year in M. H. S., new classes bring with them new ideas and interests. With some frequency, some groups of students find that their hobbies are not represented in existing club channels and thus new clubs are formed. Last fall, with the momentum derived from the successful production of the senior play, "Our Town", a few students gathered together and announced the beginning of the Dramatic Club. It quickly picked up members and started on its program of service and member entertainment. At this same time, skilled hands had likewise found a vent, and the Jewelry Club was formed. Its members interested themselves in making small trinkets from silver and copper. Combining handwork and a great deal of headwork, a small nucleus of science students banded into the Experimenters' Club. They devoted themselves to the why's and how's of our world. The Folk Dance Club movement was initiated by those who wished to combine agile bodies with lively music. Colorful native costumes and interesting rhythms highlighted their performances. Craftsmen organized their hobbies into the Woodwork Club. Making useful and attractive pieces from wood was their chief occupation. Those with higher interests flew into formation to make up the Aeronautics Club. Model airplanes, theory of flight, navigation and allied topics formed their program. Progress in knowledge and entertainment was made, and a good time was had by all.

HOME CRAFTERS CLUB

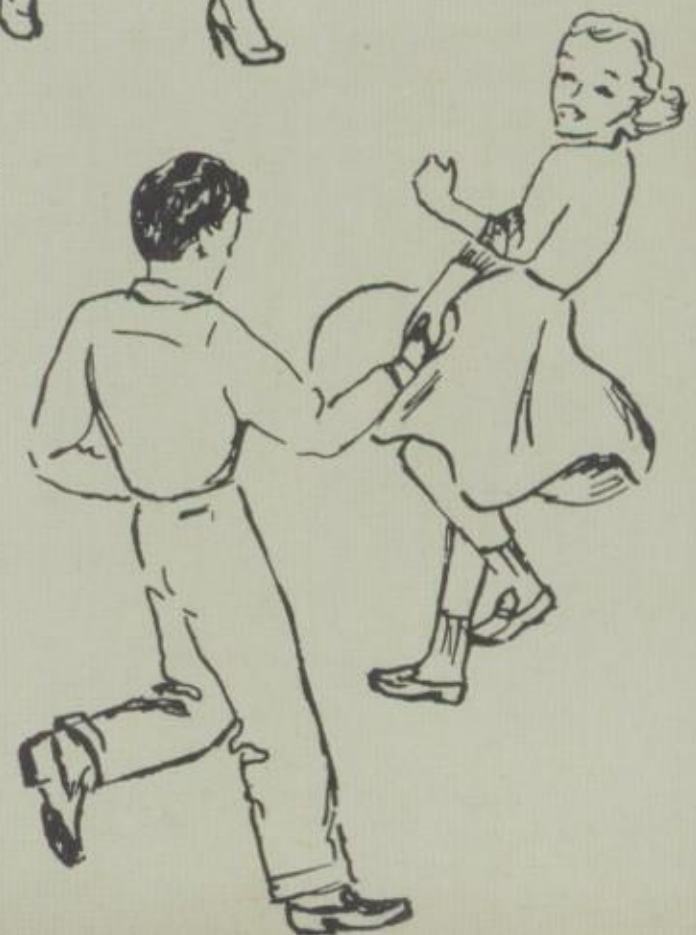

The turn of the century saw great events, and at the turn of the half-century even greater events rocked the world . . . Truman got the jump on Russia by announcing its top secret . . . Montclair High got the jump on North Jersey with the Newark News football trophy . . . The best selling record of '49 turned out to be Perry Como's, "Forever and Ever"—but the hottest things on record could be found at three different speeds . . . Besides, "That Lucky Old Sun" and the weather man played along by producing the hottest year on record . . .

It was a year of big things . . . There were four six-footers on the basketball team . . . "Uncle Joe" had the biggest birthday ever when trainloads of presents began pouring in . . . John L. Lewis loomed just as big as before . . . Business was good . . . Profits were never higher, but neither were taxes . . . We prided ourselves on flying three times faster than sound . . . but we were humbled by the fact that all our mechanical wonders couldn't get little Kathy Fiscus out of the well alive, or prevent the polio epidemic . . .

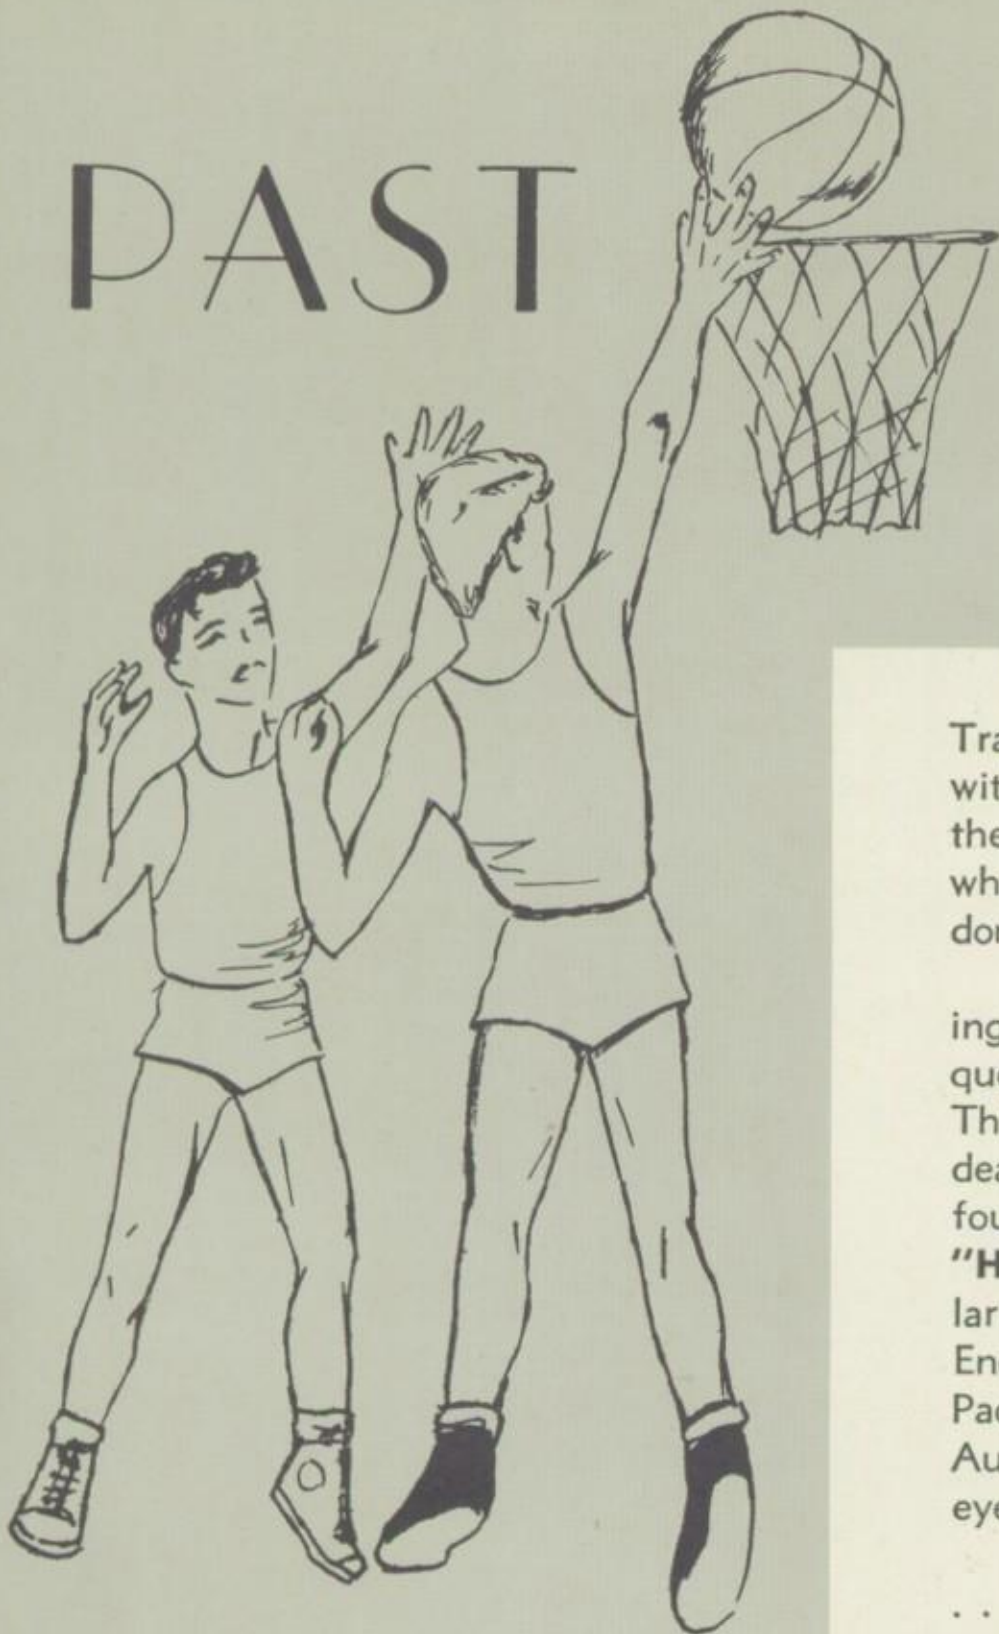

Changes were apparent and as hemlines receded so did the water level . . . In spite of the water shortage we had the second largest crops on record . . . There was a new look in the lunchroom, and the White House had its face lifted . . . Construction was started on the new U.N. building in New York . . . with the "Hucklebuck" came also Sarah Vaughn and Billy Eckstine . . . There were novices behind the wheel, but in spite of Mr. Seelbach some new records were made, "Well, how 'bout that now?" . . . The new Lunchroom Supervising Committee and the Service Committee gave the students more responsibilities . . . A few new teachers and the new sophomore homeroom plan shed some new light on the innocent subjects.

The little man from the Philippines with the winning ways kept the diplomats grinning while the Republicans were still looking for their man . . . There were a number of girls doing likewise with greater success . . . Miss Denneen could be seen blissfully turning an object on the fourth finger of her left hand . . . Marriage permeated the atmosphere . . . Both Mayor O'Dwyer and the "Veep" took the big step . . . Rita and Ali went along with the crowd, to say nothing of Superman, Dick

HALF

PAST

Tracy, and Joe Palooka . . . Things took on a serious note with the trial of Cardinal Mindszenty in Hungary and the trials of U. S. Communists in America . . . Everywhere Americans were warned that the "Price of Freedom is Eternal Vigilance" . . .

Margaret warbled while her father was busy pacifying the big brass in Washington . . . The Atomic Energy question caused an explosion along with the 5%ers . . . Things were far from being "cool" when the Freezer deal was revealed . . . Out of the turmoil Americans found a need for such books as, **"Peace of Mind,"** and **"How to Stop Worrying and Start Living"** . . . The popularity of short hair grew with the new Toni . . . "Some Enchanted Evening" kept on enchanting . . . "South Pacific as a whole swept the country, while in the Pacific, Australia and New Zealand turned Conservative . . . All eyes focused on China as it was rent by civil war . . .

The seniors brought, "Our Town" into the limelight . . . It was apparent that the housing question was still on the losing side . . . Kimberley pulled up stakes and moved to the Athletic Club . . . The high school designed the Bloomfield Avenue Christmas decorations . . . The Gridiron Ball, to say nothing of the Darktown Strutters, hit the jackpot with Johnny Almquist and his band . . . The Wassail Party ran a close second with "All I Want for Christmas" . . . Montclair became famous as more and more renditions of "Cheaper by the Dozen" rolled off the press . . .

American was host at the winter Olympics at Lake Placid . . . Jackie Robinson made the news as the most valuable player of the year even though Brooklyn came out second best in the World Series . . . 1949 turned out more sports fans, country wise than ever before in spite of the television craze.

The corn borer became more and more of a national menace . . . Hoover said we were throwing our money away . . . England had trouble with the pound . . . So did the girls as they arranged themselves for the next look . . . Things got so bad that Fred Allen finally called it quits . . . But "Don't Cry Joe" even though you've seen **"The Death of a Salesman,"** for in spite of some trials and many tribulations all in all we are looking forward to the next fifty years.

Dear Terry,
 It's been really
 swell having you here
 at M.H.S. during your
 Senior year! You're a
 darling girl and you
 and Sandy make the
 bestest couple in the
 Senior class! Lots of
 luck and happiness
 at Stanford!

Love,

We Complete this Amphitheatre

With Thanks —

Dear Terry,
 You are a very
 lucky Canasta player; you
 can't win by skill — only I
 can do that. Best of luck
 and all the happiness in
 the world to the girl who
 claims she's the only girl
 I ever loved.
 Love,
 Dave

- To Miss Cope, Miss Holland, and Miss Turner for their able assistance.
- To John Thron, for his original contributions to both the Writing and Art Staffs.
- To Leatrice Artis, Mildred Schaefer and Lucille Palumbo for typing the written material.
- To Don Mott, for coming back after graduation to assist the photography staff.
- To George West, for his exceptional record in the sale of advertisements.
- To Miss Turner's Commercial Art class which arranged the advertising campaign.
- To Miss Turner's Art A class which did the Amphitheatre posters.
- To All who have helped us throughout the year.

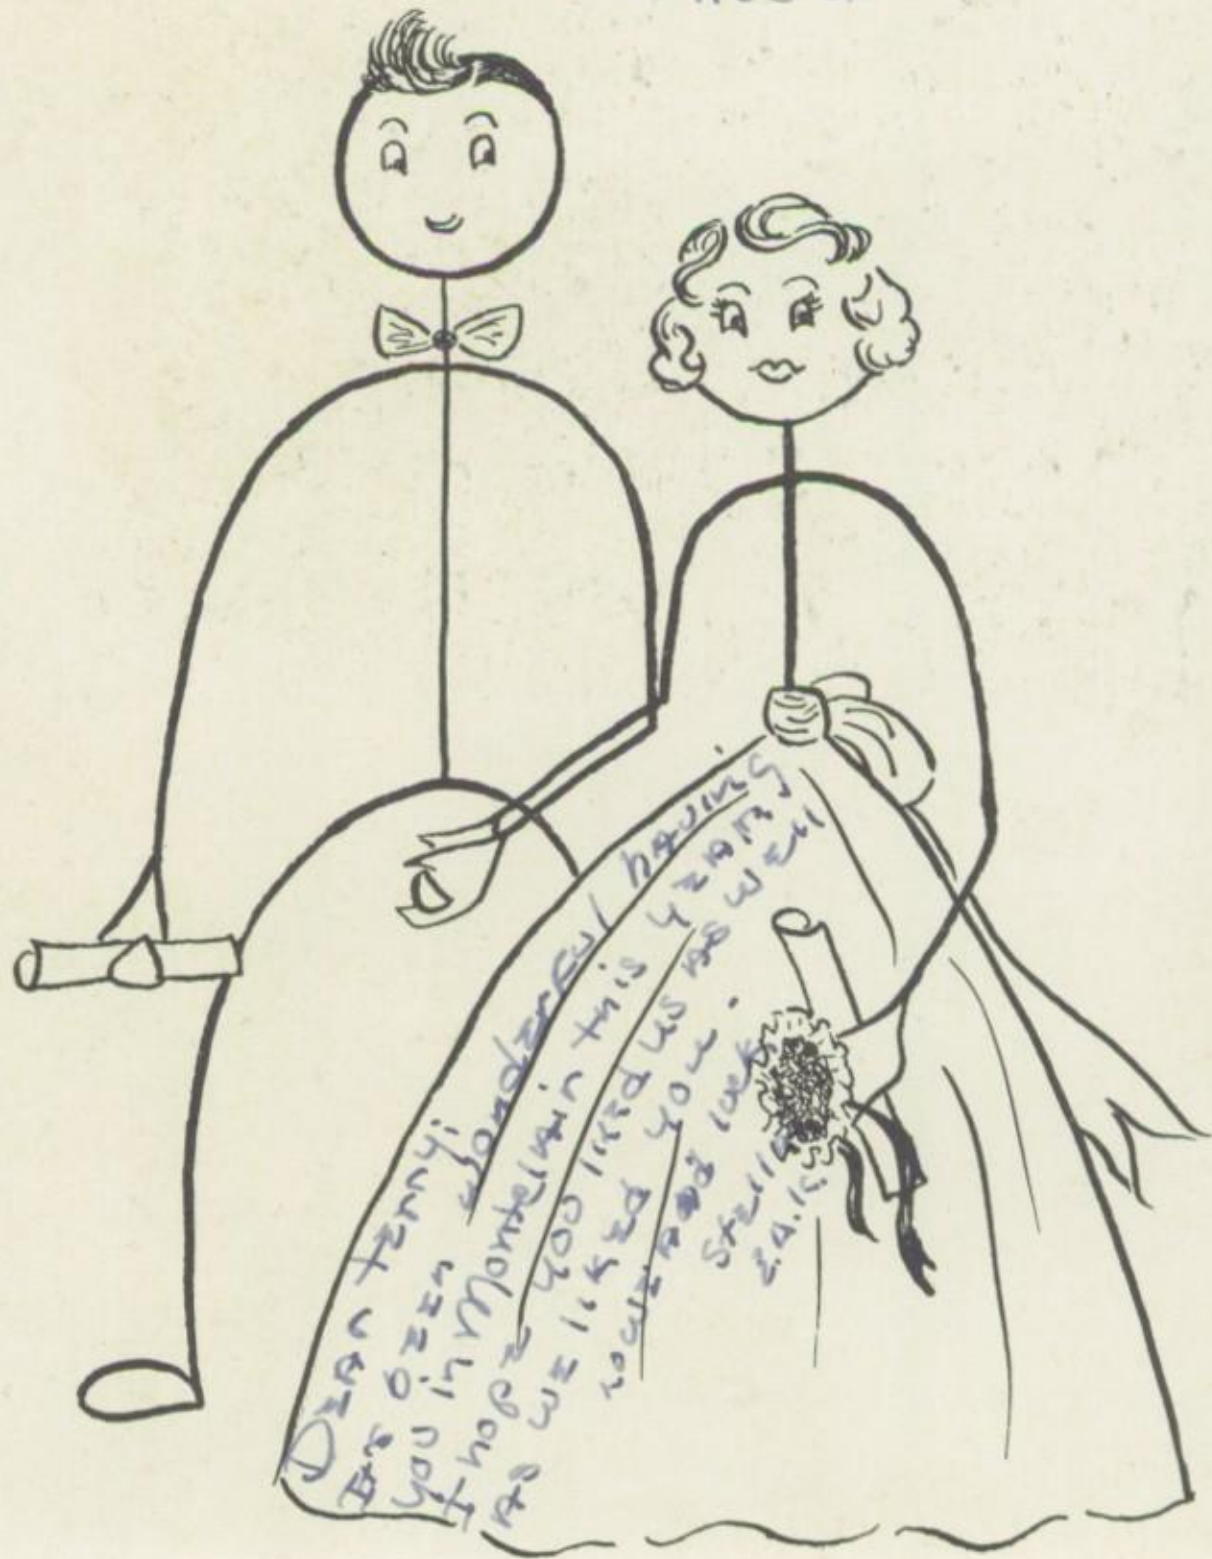

Compliments of

the Seniors & Sophs

Lots of luck + love to a swell girl, and a better

BETTER FUEL... BETTER SERVICE

**THERE ARE
TWO KINDS
OF TICKETS**

Nobody likes to get a traffic ticket from a minion of the law. But a ticket from the recording meter on an O. & M. fuel oil truck is another matter. On it is machine-printed the exact number of gallons of oil you received. It's proof of value received . . . proof, too, that you are getting "better fuel and better service."

Dear Terry,

I shall always remember
those unforgettable times we had
spent together. The days we walked
from class to class with each other,
or sat together in Chemistry, or the
afternoons at Whitrocks where we
sipped down our cokes. I shall always
remember "Wilson's J.A." and the other
dances given by the Girl's Club and the
"frats."

I shall never forget the dates
in N.Y.C. at the Paramount where we saw

strand where we saw
Sammy Dorsey and
how could I ever for-
get our seeing
